# Pandemic Flu Summit

## Agenda

### Morning Session

#### 08.30 Registration, Networking & Breakfast

Enjoy Breakfast, network with speakers, experts and fellow delegates.

#### 09.00 Introduction & Welcome

**Simon Jose, General Manager & SVP, GlaxoSmithKline UK**

#### 9.10 Chair's Opening Remarks

**The Continuity Forum and GSK**

#### 09.15 Keynote Address: The Cross Party Approach to Pandemic Planning

**Andrew Lansley, Shadow Secretary of State for Health**

Mr Lansley will give us his insights into the Government approach to Pandemic Planning, and his own view on how to use this information to benefit your organisations.

#### 09.45 Keynote Speaker: Health

**Advice on Pandemic Influenza**

**Professor John Oxford, Professor of Virology St Barts & Scientific Director of Retroscreen Virology**

One of the world's leading thinkers on the topic and a key government adviser, Professor Oxford will be offering up-to-the-minute information and guidance on the likelihood and impacts of Pandemic for the UK.

#### 10.15 Break

#### 11.00 Keynote Speaker: Planning Advice for Pandemic Planning – to be confirmed

This session will give the latest information from the Government, and offering specific advice and perspective on planning and preparation.

#### 11.30 Keynote Case Study –

**The GlaxoSmithKline Experience**

**Dr Pim Kon, UK Medical Director & Jason Miles, Business Continuity Planning Manager – GlaxoSmithKline**

GSK will give an insight into how they approach their own planning processes and assist others.

### Lunch

12.00 A buffet lunch will allow for more discussion and networking time.

### Afternoon Session

#### 13.15 Case Study: Staff and Family Protection

**Dr Les Moseley, Influenza Protection**

This session will offer Case Study examples of real life experience of how best to protect your staff, and their families.

In addition Dr Moseley will also be covering in detail how a large organisation has developed its plans and the reasoning it has used to protect both its business and its people.

Including **Special Advice on Pandemic Planning for your organisation**

Dr. Moseley will be offering special advice on how to approach the planning process for your organisation, including how to ensure that you have access to all the latest information.

#### 14.15 Business Continuity & Planning Advice

**Russell Price, Continuity Forum**

This session covers the latest research, carried out by the Continuity Forum, into Pandemic effects and planning.

In addition to the research highlights the Forum will cover the possible effects of supply chain disruption and the potential for financial impact.

#### 14.45 Extended Questions & Discussion

Opportunity to further discuss the issues raised during the day and seek further information or guidance.

#### 15.15 Chair's Closing Remarks

#### 15.30 Close of the Summit

**(Close is dependent upon the Q&A session.)**

The Pandemic Flu Summit specifically includes time for extended networking allowing you to share your thoughts or ideas and discuss your issues with your fellow delegates, our speakers, members and other partners.
