Risk & Resilience Conference 2014

3 April 2014, De Vere Venues, Holborn Bars, London

BSI and the Continuity Forum bring you the Risk and Resilience Conference 2014 which aims to connect Risk Management and Resilience far more deeply into organisational thinking and build the business case for better and more effective action.

This special one day conference gathers senior government figures, industry thought leaders and those at the very forefront of standards development to share their knowledge and vision of how Risk and Resilience are central to business success. This must attend event of the year offers a much needed platform for international stakeholders to exchange knowledge on good practice through networking, presentations and interactive panel discussions.

By attending this unique event you will:

- Hear the latest government and policy updates from our **Keynote Speaker, Rt Hon Oliver Letwin MP, Minister for Government Policy** highlighting just how critical Risk & Resilience Planning is for business.
- Get the about latest thinking on risk management trends and the key issues and how they will affect you and your organisation.
- Understand why climate risk is an important priority and find out what you can do in your business through the new Smart Guide to Climate Adaptation.
- Hear about the rapidly developing changing landscape of Cyber Risks and what we can do to control them from world class experts.
- Discover more about the rapidly developing field of "Cyber Risk Standards", how these will affect your business and what this means for your IT and Risk Management.
- Discuss with our experts the changing face of Risk and Resilience Management.
- Find out why risk management is moving towards performance management and what this means for your organisation.

BSI

389 Chiswick High Road

Terms and Conditions:

All cancellations and name change requests must be made in writing to mail: **cservices@bsigroup.com**

A full refund will be given if you cancel earlier than one calendar month before the event. If you cancel after that date or do not attend, no refund will be given. There is no charge to request a delegate name change. If you are travelling from overseas we recommend you confirm your visa (if applicable) before booking your place. All bookings for events are subject to VAT (or local equivalent if the event is not held in the UK) and payment terms of 30 days. If you are a non UK company you may be entitled to claim back the VAT through HMRC (see www.hmrc.gov.uk for more information).

BSI reserves the right at any time and without prior notice to change the venue and/or speakers and/or programme and/or price from that described. BSI accepts no responsibility for the views expressed by the speakers or any other persons present at the event. BSI reserves the right to cancel the event, in which case a full refund will be given. BSI does not accept liability for any travel, accommodation or any other costs. Delegate contact details will not be passed to any third party; however the conference handbook will include a list of delegate and company names correct at the time of print. The handbook is protected by copyright. Attendees are not permitted to record any part of the event. All conferences will be delivered in English unless otherwise stated.
